

# GUIDE TO USING THE NHSS LOGO

**NQA registered clients are authorized and encouraged to use the certification marks to promote their achievement. Organisations can only use the logo in reference to the provision of goods and services contained within their scope of certification.**

The marks can be used widely, but please note that there are regulations to their use. This leaflet will show how and where the marks can be used.

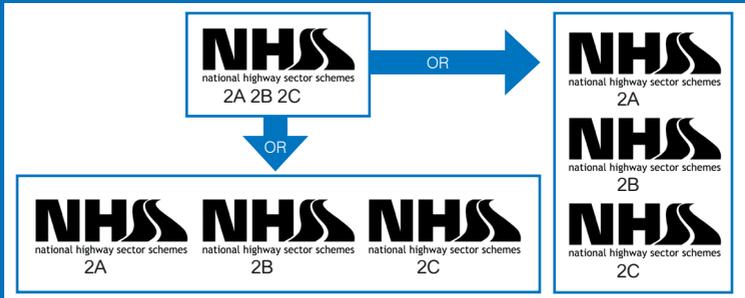

## USING CERTIFICATION MARKS

Use of NHSS Symbols by holders of accredited certificates. The NHSS symbol used must be relevant to the certificate:

## USING CERTIFICATION MARKS FOR MULTIPLE ACCREDITATIONS

The organisation's accreditation number(s) can be printed centrally under the National Highway Sector Scheme accreditation symbol and may use the symbols as indicated on the right:

## USING THE CERTIFICATION MARKS

We strongly encourage our clients to provide a link to our website. This encourages greater visibility of the standards and enables your clients to find out more about how certification is beneficial to your business and in turn to their business.

When referencing our website, please link to a specific page that you want users to visit. For example if you have NHSS certification link the NHSS logo back to this page
